

Maths

This half term we will be learning about Place Value, Length, Height, Mass, Volume, Capacity and Temperature. To support your child at home, please encourage them to continue to practise all those fundamental number skills at home on Numbots, www.topmarks.com and the game called 'Hit the Button!' is strongly advised.

English

In English we will be learning how to write poetry and instructions of how to make a Giant Jam Sandwich! We will also do lots of different English tasks to help continue to improve our spelling and reading as well as our understanding of what we read. We can't wait to start our class reader, 'James and the Giant Peach.'

Science

The children will learn about a variety of habitats and the plants and animals that live there. We will learn to tell the difference between things that are living, dead and things that have never been alive, and apply this in a range of contexts. We will make observations of a local habitat and the creatures that live there, investigating conditions in local microhabitats and how they affect the minibeasts found within them.

Wiggle and Crawl Holly Class – Spring 2 2024

Topic – Wiggle and Crawl

Put on your coat and wellies and let's head outside on a minibeast hunt. This half term, we'll head to our gardens and wildlife area! We will identify minibeasts in their natural habitat and we will have a trip to Banham Zoo where we will take part in a Discovery Session and get up close and personal to some weird and wonderful creepy crawlies!

R.E. / PHSE / SMSC

This half term we will be exploring the question, How does a Hindu celebrate devotion to a deity at the festival of Holi? Mrs Wright teaches PSHE/RSE to the children and the topic this term will be "Healthy Me."

Computing

In computing this term we will be grouping data. We will learn that information can be presented in different ways and we will collect simple data and add it to a table or a graph.

Music & P.E.

Mrs Fuller will be teaching music on a Thursday in Holly Class. PE will be taught by a Premier Sports Coach on a Tuesday afternoon and a Thursday afternoon and starts off with games that involve Teamwork. Don't forget to wear your school PE kit on these days, tie long hair up and remove any earrings.

Art / Design Technology

In Design and Technology the children will learn about peeling, zesting, cutting safely and applying these skills when preparing healthy dishes. The children will also learn key information about healthy eating and where their food comes from. They will gain some practical ideas about ingredients that can be combined to make interesting and healthy salads.

Geography

In Geography the children will explore their school environment using first-hand observation and experience to enhance their awareness along with essential map skills and fieldwork.
