

We start this half term with a trip to Sutton Hoo which concludes our Anglo Saxon topic! Then dive straight into the Ocean, focusing on Blue Abyss, a Geography topic with a focus on life in the Oceans, from the Trenches to the beach, who lives where, who eats what and where in the world you will find these wonderful creatures!

Oak Class: Spring 2 2024  
**Blue Abyss!**

### **English:**

This half term we will explore 2 genres which will be a base for our writing and punctuation and grammar work:

- Narrative description writing – a focus on ‘Flotsam’ by David Wiesner
- Newspaper reports, using ‘The Whale who ate plastic’ as inspiration to the class of budding journalists

Our class text will continue to be Hiccup Horrendous Haddock III.

### **Maths:**

We will use a variety of resources to master our skills in 4 Maths topics as we undertake a revision session:

- Addition
- Subtraction
- Multiplication
- Division

We will have a focus on times tables knowledge so please do support your child at home!

### **RE: Exploring a key question**

What do Christians mean when they talk about the Kingdom of God?

### **RSE:**

Healthy Me – Exercise / Fitness Challenges, Food labelling & healthy swaps, Importance of Keeping Safe (online & offline), Respect for self & others
