

Computing at Hopton CEVC Primary School: **Impact Statement Summer 2023**

Knowledge & Skills

All children have a good understanding of how to use the internet safely.
KS2 able to explain E-Safety rules and recognise cyber-bullying.
Children have become very familiar with coding using the Scratch program in school and have reported using it outside of school.

Engagement

Computing is integrated well across the school for educational uses. Children are confident using laptops or iPads for research, educational games and reported that they are regularly given the opportunity to enhance their learning using ICT.

Next Steps

Develop a whole school shared display demonstrating our computing skills and developing coding clubs or experiences.
