

History at Hopton CEVC Primary School: Impact Statement Summer 2023

Knowledge & Skills

Children can recall previous topics and discuss facts with interest and enthusiasm, sharing facts and the skills used within the subject

Pupil Voice, March 2023

Engagement

Class and whole school activities provide opportunities to bring history 'alive' and enable themes to be shared regularly, asking questions and developing historical skills.

Examples include: Black History carousel (October each year), children still refer to this and discuss themes, Coronation parent share (Willow class), Stone Age immersive day, (Oak class)

Next Steps

To develop and deepen questioning and reasoning skills within the subject. Pupil Voice (March 2023) highlighted these not as apparent and clear to pupils. 2023 / 2024 skills focus prominent in history.

To continue to build on local history links. Where practicable, to actively link historical topics to local area (eg Pablo Fanque). LTP class planning with vocabulary and progression map provides opportunities to class teachers to do this for 2023 / 2024.
