

## Knowledge & Skills

- Children have will progressively acquired, used and applied a growing bank of vocabulary, language skills and grammatical knowledge organised around age-appropriate topics and themes - building blocks of language into more complex, fluent and authentic language.
- KS2 Data from Language Angels shows pleasing progression in children speaking, listening, reading and writing.

## Engagement

- 'Learning Angels is really good - I enjoy the action songs on Learning Angels. They help me remember new words in French. The pets song is my favourite.'
- 'When you're learning new words, they say the word in French and you can copy it helps with my pronunciation.'
- 'Learning French helps us to get prepared for when we go to secondary school.'

## Next Steps

- To continue to regularly deliver the MFL curriculum, ensuring children prior knowledge is built upon.
- Create more bilingual displays in school to support the reading and speaking of French.
- KS2 to have more exposure to vocabulary outside of their MFL lessons, such as calendars and counting.

	Below Expectation	Meeting Expectation	Exceeding Expectations	Mastery
Year 3 (8)	27.5%	12.5%	25%	25%
Year 4 (11)	36%		36%	28%
	Below Expectation	Meeting Expectation	Exceeding Expectations	Mastery
Year 5 (13)		7%	70%	13%
Year 6 (10)		10%	60%	30%
