

Science at Hopton CEVC Primary School: Impact Statement Summer 2023

Knowledge & Skills

Science vocabulary understanding is very strong at Hopton. Children demonstrate that they can identify the meaning words and use them in their explanations. The pupil voice revealed that pupils can discuss their learning with really good recall of key facts.

Engagement

Pupils generally enjoy science lessons at Hopton. They were given the opportunity to engage in some live lessons run by the National Farming Union on the topic of 'Connections'. Year 6 went to Thurston High School for a 'Science Day'

Next Steps

Developing experimentation and investigative skills and opportunities.
