

Minutes – Faith Council 03.03.22

Present: Mrs Hughes, TA Oak Class, KW MC from Ash, AR and HT from Oak, DI and AC from Holly, TS and BH from Willow.

How have we used our vision and values in Faith Council?

We had a lively discussion about how we have all developed our courage by taking part in assemblies over time. Our youngest pupils had taken it in their stride and said they didn't feel nervous doing assemblies. Everyone else felt they had become braver about standing in front of the school and presenting an assembly. They felt that this was a great opportunity.

We were also proud that we had raised money for Afghanistan recently. AR said we had used our hearts and our value of compassion to give to those less fortunate. KW said this meant people could use the money and their hands (skills) to help the people in crisis.

In addition, we mentioned other activities like making posters to say thank you to the wider community for their generosity, and also how we have managed two competitions in the school encouraging people to use their heads to reflect on our values.

Read through of our next assembly on Fear and Courage

Mrs Hughes helped the children to read through the play and allocated roles to the non readers.

The children engaged well with the themes of the assembly. The readers kept a copy of the script to practise at home.

Finally

Mrs Hughes handed out the new badges for Faith Council to wear.
