1. In attendance: Mrs Hughes, Miss Hosfall, KW, MC, AR, HT, AC, TS, BH Absent: DI
 2. Last meeting on 18th November was also a rehearsal for our assembly. Second rehearsal today is seeing things come together with some reallocation of parts, adding props and refining scripts.
 3. Mrs Hughes discussed pros and cons of Zoom assemblies:

Cons of Zoom:

Not being in the hall together

Not being there to be happy for others in Celebration assemblies (lovely sentiment!)

Not singing

Not seeing my friends

Not seeing others from different classes

Some people missed out completely as they may not have watched it at all

Pros of Zoom

Recording assemblies on Zoom as it was less nerve wracking than live assemblies.

Watching assemblies together as a family with Mum/Dad

Watching in the Keyworker room in school was fun because we were with some friends

Whole school Zooms with everyone joining online and celebrating our successes and birthdays was like a big Zoom party!

4. Concluded by reciting: With God all things are possible ... we raise aspirations and encourage perseverance to reach goals in life and learning.
