1. Introductions: In attendance: Mrs Hughes, RF, AR, HT, DI, TS
2. In response to point 2, RF said 'Head for thinking, heart for loving, hands for prayer'.

The children showed Mrs Hughes the actions which are used in assembly as well. Mrs Hughes said there were different ways of looking at this and had a story for assembly which would illustrate that.

3. We did a read through of 'Gideon and the Midianites' which was separated into sections:

FEELINGS – Heart

PROBLEM SOLVING – Head

ACTION – Hands

This story is also a brilliant illustration of how 'With God all things are possible.'

4. As we read through, we evaluated the best way of performing it and the props we might need.

RF and AH will be narrators, HT is Gideon. The others are Israelites. DI AR and TS also practised a short song and HT agreed to read the prayer.

5. We closed our meeting with the words:

With God all things are possible ... we raise aspirations and encourage perseverance to reach goals in life and learning.
