

Gilly McGill

Governor

By day I work as a chartered tax adviser specialising in VAT advice mainly for education bodies and other not-for-profits.

As a Governor, I will be working on the F&P committee which I hope to bring the benefit of my job experience to.

In my spare time I sit on the All Saints PCC and help lead our Sunday Club. I'm a keen social runner and am normally easily spotted when I'm at school dressed ready to squeeze in some training!

I am passionate about local and global community and continuing to build on this strength within our school.
