Pastoral News

Dear Parent/Carer

I would like to take the opportunity to formally introduce myself to you and to my role as Pastoral Coordinator at Hopton Primary School. My role is to help provide an environment which will support the emotional health and wellbeing of all the pupils at Hopton Primary School. I already provide individual and group support to pupils through my work with the KIWIS (keeping It Well In Schools) group, but I would now like to extend this support by tailoring information and support packages to staff and parents upon request. I will also provide a fortnightly update on Parent Mail signposting parents to resources, activities, courses and organisations that can be accessed to provide additional support to pupils and parents.

Yours Faithfully

Michelle Gardner, Pastoral Coordinator

We have been working hard to create a nurturing environment in the KIWIS room, where we have recently had sensory lighting installed.
