

Our Christian Vision

'With God all things are possible'

Matthew 19 vs 26

Governing Body

At Hopton CEVC Primary School we live out the words of Jesus in Matthew 19 vs 26 'With God all things are possible'. We raise aspirations and encourage perseverance to reach goals in life and learning.

Here at Hopton CEVC Primary School we are proud to say that we have an active and well informed Governing Body. This information is designed to let you find out a little more about our dedicated team and the experiences they bring to the Governing Body.

It is important to remember that School Governors are volunteers. They do not need any formal qualifications, just the will to make a difference and a passion for helping every child to realise their full potential.

The aim of our Governing Body is to help the school provide the best possible education for our pupils by providing a strategic view, acting as a critical friend and ensuring accountability. The Governing Body therefore work together to make decisions as a team. The Governors are dedicated to their role and spend a great deal of time reading the latest information and continuing their professional development.

Governors are encouraged to get involved in all aspects of school life. They attend special events, visits, assemblies and form an integral part of the monitoring cycle that is used throughout the year. They see first-hand the quality of education and school experience that the children are offered. It is from this informed viewpoint they contribute to meetings in the critical friend capacity.

We are fortunate to have such an extremely passionate Governing Body, whose members are always willing to give their time to support the school in moving forward. If you are interested in becoming a member of the Governing Body please contact Kate Clements (Chair of Governors) using the contact details on the website.
