

School Council Meeting Minutes

Tuesday 20th September, 2022

Apologies for absence – none

Agenda

- Welcome to School Council
- To talk about actions for Autumn term 2022
- Think about our year
- Pics for the board

Minutes

The children wanted to talk about improvements to the school for next year:

- Club for litter picking to help keep school grounds tidy
- Another bin outside to help
- Have a healthy break snack / lunches
- Have a running challenge every half term / term – possibly to raise money for a charity.

Actions for Autumn:

- Red team treat: either sports activities or the Wildlife area being open just for red team (which would be an extra break). Those that did the sports last time really enjoyed it.
- Play leaders – would like to help advertise for others to take on this challenge and run playtime clubs. To put together an advert for play leaders to play for example: tennis, table tennis, imaginary games, football skills.
- We would like to run a cupcake stall for children in need.

Next Steps:

Mrs J to speak to Mrs W re actions.
