

## School Council Meeting Minutes

Tuesday 14<sup>th</sup> June

Apologies for absence – none

### Agenda

- To talk about actions for Summer term 2022
- And review our year

### Minutes

The children wanted to talk about improvements to the school for next year:

- Repaint the playground so that the white lines can be visible
- Club for litter picking to help keep school grounds tidy
- Another bin outside to help
- More beanbags
- Bird houses

### Fundraising for our charity – our second event

We discussed a number of ideas to raise funds for EAAA. It came down to a tennis/football day or a beach day. The overall vote was for a Beach Day

The idea being:

- Children come to school in shorts and t shirts – they can bring beach balls / beach volley ball etc
- Break times to be slightly extended to accommodate the beach day.
- The children asked if we can get an ice cream van – Mrs J to check
- They asked if the parachutes could be used
- They were keen for water to be part of the beach day – Mrs J explained this will be down to Mrs W / other teachers
- Suggested donation of £2 (to include an icecream?)

### Next Steps:

Mrs J to speak to Mrs W / staff re a date and feasibility of undertaking a beach day as they envisage.
