Was so nice to have a chat with the adults who work with them most days and find out a bit more of what he likes at school.→ It was nice to see their classroom and their work. I particularly enjoyed the family portraits. I think the children found it difficult to focus on the set activities. Perhaps a first thing in the morning might be better, or more structure within the classroom rather than outside where the temptation is to run around.→ Thank you for a lovely afternoon. It was fantastic to join in with some of the Diwali activities and have my child show me around.→ I thought it was a great idea, it was nice to see what the children get up to during the day and it's also helpful to know so I can get things at home similar to school. I think all the staff in Willow class are very supportive and are great with the children.

The singing the children did was lovely and they should all be very proud of themselves! Thank you to the school. Children and teachers for a lovely afternoon.→ Was a lovely afternoon. It was well planned out, and was lovely to seeing the children being so independent. The cake was delicious and we both thoroughly enjoyed them.→ I had a wonderful time. I felt it was the best share afternoon that I have attended so far. The children seemed to thoroughly enjoy it and the parents did too. It was lovely to be able to sit and look at the books together.→ It was a really lovely time, so much time and effort had been put in by both children and teachers. Great afternoon.
