

11th November 2021

Dear children of Hopton School,

So sorry we missed your call yesterday. When we returned home we were delighted to find a beautiful, homemade, poppy at our door. We think its a lovely idea to remember those people who gave their lives for our country and continue to do so.

Putting out your cheerful, well made poppies around village shows that we are remembering and that we care.

Thank you so much, we love our poppy, its a great idea.
