

Sarah Almond

Vice Chair of
Governors

I am Sarah Almond, and I have been a co-opted member of the Governing Body of Hopton School since September 2016. I serve on the Learning and Achievement Committee and the pupil discipline Committee.

My responsibilities are as the Primary Languages, Safeguarding and SEND Governor. I have worked as a teacher all of my working career, retiring in July 2016, after forty years of full time teaching. In that time I have taught reception to Year 8 pupils, in a variety of different schools.

I have worked in both the state and independent sector, and I also taught in an International School in the Middle East for eight years. I have taught many different subjects, and in my last school I was the Religious Studies co-ordinator, teaching this subject to Common Entrance at age 13.
