

Welcome  
from our  
**School  
Council!**

Hopton Primary School  
**School Council**

*Spring 2022*

# Welcome

## School Council

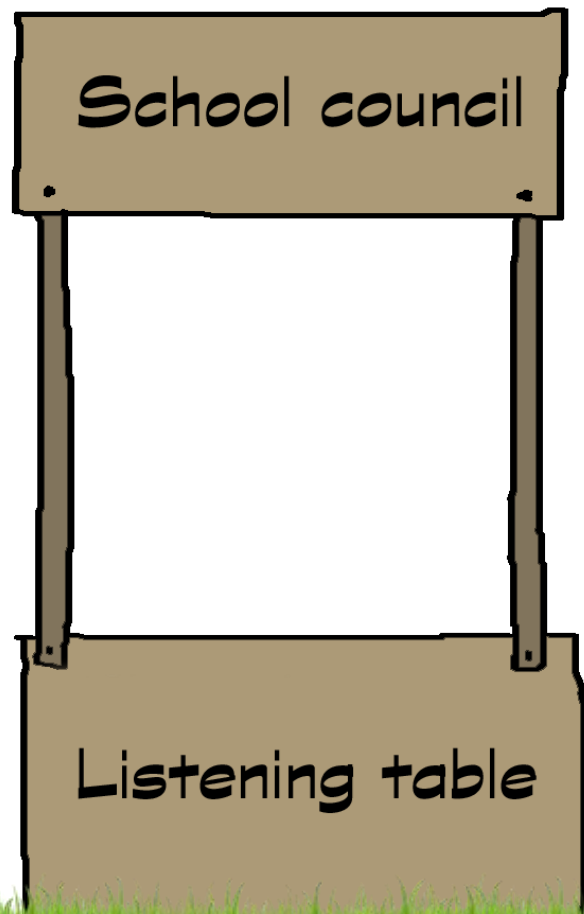

Our School Council represents all the children in our school.  
It is all about...

- Giving children a **voice**.
- Suggesting changes that will help every pupil
- Thinking about the environment
- Working to help our community
- Making our school the best it can be!

The school council helps to make our school the best it can be.

They come up with ideas ... like, maybe setting up a listening table at playtime?

Their friends talk to them about their problems and their ideas to make the school better.

School Council help by listening to their friends ideas.  
They are the voice of the school.

Can we have  
a quiet place  
to read?

Can we raise  
funds for our  
community?

Extra  
lunchbreak!

# School Council

We will meet regularly to discuss our ideas!

If you want to see the minutes from our latest meeting, check out the school council board in the dinner hall!

# To start with ...

...your teachers will have the badges to give out to the new School Council members. Give them a big cheer!

School Council, our first task is to gather ideas from everyone in the entire School. Please ask your friends in your class, the following questions:

- Do you think as a school we help look after the environment? What could we do more of?
- Have you got any brilliant ideas for fundraising? Do you think as a school we are good at raising money? What do we need to raise money for? How?
- What do you think we could do as a school to be even better?

School Council listen to your friends ideas and report back to Mrs Jones when you are ready.

I think ...

Could we?

How about ...

I can't wait to hear what you come up with!
